

# Emergency schedule

**The emergency call reach at the same time**  
**Security forces, medical helpers, reception**  
**They will decide what's to do now!**

**Alarm signal sounds over the loudspeaker system:**  
**ALARM — Please follow the coming instructions**  
**All instructions must be followed immediately and exactly**

## The behaviour of the colleagues

Keep silence — act meaningful. Call hotline with the emergency number. Support safety staff

Silence

Emergency call  
Inform all people concerned! They must leave the dangerous place immediately as possible

Fire

Take first aid — look for helpers, follow the emergency signs  
Call the medical support (doctor etc.)

Accident

Leave the house on all marked ways. Don't use the elevator for it!

Evacuat
